The attention of every policy holder is called to the following:

By vote at the annual meeting of the Company held January 7, 1901, policy holders wishing to remain away longer than thirty days may keep the insurance on their property good, by applying to the secretary for a permit to leave premises unoccupied for such times as they may specify, paying for the same five cents per month for every one hundred dollars for which they are insured.

The cash premium for permits has been reduced from five to three cents per month.

By vote at the annual meeting of the Company held Jan. 5, 1931, the rate of insurance was raised from $\frac{3}{4}$ per cent to 1 per cent.
